

Eloqui Wireless (PO Box 59083, Knoxville, TN. 37950) is my cellular phone carrier. They have not provided the service agreed upon for the past month and a half. No one with another carrier has been able to call my phone (Verizon, Sprint, Suncom, Nextel, frontier). They will not allow me to break contract without paying \$400 (\$200 for each phone). I wish to no longer be in affiliation with this company since they are not complying to the agreement set forth.
